Becoming a Sponsor:

You can help to support the costs of running our shelter by sponsoring one of our cats or dogs until they are adopted, which helps to offset the costs of food, medical care, and housing. With over 1,000 animals currently at our shelter, your monthly donation of a minimum of LE 600, payable on the first of each month, goes a long way in enabling us to provide for them, and there is no limit to the number of animals you can sponsor. You will receive a photograph and regular updates about the animal you are sponsoring. For questions about sponsorship, please contact Bahra Fahmy at bahrafahmy@gmail.com
